REQUEST FOR REFUND

MAIL STOP 16

Director of the U.S. Patent and Trademark Office

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Applicant hereby respectfully requests a refund in the amount of \$750.00. This refund is to be credited to Deposit Account No. 19-4880.

As background, a charge of \$750.00 was made to Applicant's Deposit Account No. 19-4880 on May 1, 2003, described as Fee Code 1801 for Request for Continued Examination (RCE). However, no RCE has been filed in this application.

An Advisory Action was issued on December 18, 2002 in this application, and no response was made by Applicant to that Advisory Action. On March 4, 2003, a Petition for Extension of Time in above-identified application serial no. 09/734,684 that includes the following wording: "Applicants respectfully advise that a Rule 53(b) Continuation Application is being filed concurrently herewith." In addition, a Rule 53(b) Continuation Application was filed on March 4, 2003 (now pending and assigned serial no. 10/377,740), together with a check

Atty. Docket No.: Q61854

for the statutory fee of \$750.00. Further, in response to a telephone call from the Examiner on April 9, 2003, Applicant's representative faxed to the Examiner copies of the Petition for Extension of Time, the cover sheet for the Rule 53(b) Continuation Application and the date-stamped filing receipt. The facsimile cover sheet also stated that the above-identified application (09/734,684) was being allowed to go abandoned in favor of the Rule 53(b) Continuation.

Although this application should have gone abandoned after March 4, 2003 in favor of Rule 53(b) Continuation Application No. 10/377,740 (Sughrue Ref: Q74222; Palmo Ref: F0743) filed on March 4, 2003, a processing error appears to have occurred such that the Rule 53(b) Continuation Application filed March 4 was processed as both a Request for Continued Examination (RCE) and a Rule 53(b) Continuation Application.

To reiterate, no RCE has been filed in Application No. 09/734,684, and the \$750.00 charge to Deposit Account No. 19-4880 is incorrect.

For reference, the following documents are attached: a copy of the Deposit Account Statement dated May 2003 showing the charge to our account of \$750.00; a copy of the Petition for Extension of Time filed on March 4, 2003 in application no. 09/734,684, together with its date-stamped filing receipt; and a copy of the transmittal document for the Rule 53(b) Continuation Application filed March 4, 2003, together with a copy of the cancelled check for the filing fee in that continuation application and its date-stamped filing receipt.
